What is the purpose of the OSHA consulting service?
A. Fines employers for violating OSHA safety standards
B. Acts as a one-time service
C. Helps employers identify the OSHA standards that apply to
their workplace
D. Does not require compliance with OSHA standards
Answer: C
Explanation:
Answer option A is correct.OSHA consultants provide free
services to assist employers in identifying workplace hazards
and the standards that apply in their workplaces. The
consulting service requires employers to abate any hazards that
are identified during the consultation but does not fine them
for violations. To receive a free consultation, employers must
agree to advise OSHA of changes in operating processes that may
require additional consultations. See Chapter 8 for more
information. Chapter: Risk Management Objective: Risk
