Answer: A

NEW QUESTION: 3

An order uses quote and order functionality in Dynamics 365 for Sales. Multiple quotes may be provided to customers at one time. Quotes are revised often.

You need to create a process that meets the following requirements:

- * Create an order from a quote.
- * Close the associated opportunity as won.
- * Update the actual values to reflect values from the quote.

Which two opportunities can you close as won? Each correct answer presents a complete solution.

NOTE: Each correct selection is worth one point.

- A. The opportunity has other quotes in the revised status reason.
- B. The opportunity has other quotes in the active status.
- C. The opportunity has other quotes in the won status.
- D. The opportunity has other quotes in the draft status.

Answer: A,C

Explanation:

Explanation

- If there is any draft or active quote associated with opportunity and you close the opportunity as won then the below error message is display in alert: "Opportunity cannot be closed There are still active or draft quotes associated with this opportunity. These must be closed before the opportunity can be closed. If you contact support, please provide the technical details.
